HISTORICAL STATEMENT

Gammon Theological Seminary was founded through the foresight of Bishop Henry White Warren and the Christian philanthropy of Mr. E. H. Gammon. The name of Mr. Gammon, of Batavia, Illinois, was suggested to Bishop Warren as one who was interested in the Negro Race and likely to see the great importance of the project he had in mind. The matter was presented to this keen layman in the Bishop's persuasive manner and after further conference and deliberation he made an initial gift of $25,000.00 for the establishment of a Biblical Department in Clark University. The Bishop at the same time agreed to raise $20,000.00 for the erection of a Theological Hall. The Rev. Wilbur P. Thirkield, then a young preacher from Cincinnati and now Bishop, was secured as the first teacher, and the work was actually begun in 1883.

Though the beginning was small, Mr. Gammon's interest increased as he saw the work develop and his gifts multiplied. Finally he established an independent Theological Seminary, well endowed for that day, and with a strong Faculty, adequate buildings, and an excellent curriculum. Professor Thirkield was made the first President.

Gammon today is the outstanding institution in the world for the training of the Negro ministry. Its Faculty and its courses are of the highest order. Although maintained by the Methodist Episcopal Church, it is non-sectarian in its policy.

LOCATION

The Seminary is located in Atlanta, Georgia, the leading city of the South on the great railroads between Washington and New Orleans. It is a center for the education of Negroes, since no fewer than four Colleges are established there for that purpose. Besides there are in the City or immediate neighborhood at least five other Institutions of higher learning. The Churches of Atlanta, for both races,
are strong and numerous, so that every type of modern church activity may be studied at first hand.

The beautiful campus, located at the terminus of Capitol Avenue, contains seventeen and one-half acres of fine rolling land. Electric cars of the South Pryor Line run to its gates and along its extensive frontage. Its main gateway opens into the head of Capitol Avenue, the dome of the State House being in full view. It would be difficult to find a more central, accessible, and beautiful site. Adjoining the campus of Gammon Theological Seminary, with only a road between them, is the large and fine property of Clark University. To spend three years amidst these beautiful surroundings with their cultural quality is in itself both an educational and a religious process of high value.

THE PURPOSE OF GAMMON

The aim of the Seminary is to give to young people who seem to be called to the ministry and Christian service, an adequate preparation for the all-important task of religious leadership. This involves a working knowledge of the Old and New Testaments, a reasonable familiarity with the historic background of the Church, an appreciative understanding of the basic doctrines of the Christian faith, the acquisition of effectiveness in preaching Christian truth, and a masterful grasp of the problems of religious and moral leadership.

Above all, the supreme importance of the personal life is emphasized and the deeper experimental knowledge of Christ is encouraged. The ideal set before the students is not the mere acquirement of intellectual skill, but the achievement of a radiant Christian personality in sympathetic touch with the deepest needs of mankind.

THE FACULTY

The supreme essential of a Theological Seminary, humanly speaking, is its Faculty, and Gammon has been eminently
fortunate through the years in having teachers who were men of stalwart Christian character and high scholarly attainments. They have been men of intellectual virility, sincere reverence, profound faith, and transparent honesty. Clear and forceful as has been their teaching, the potency of their strong personality has been a still greater factor in the enrichment of the student life.

THE LIBRARY

Next to the Faculty, the Library of a Seminary is of signal importance, for here the student has access to the best thought of all the ages. At Gammon we have one of the finest Theological Libraries in the South. The number of volumes and pamphlets is in excess of 21,000 and the number is increasing each year.

The collection relating to Negro slavery and emancipation in this country and in Africa contains many rare volumes. The literature of Foreign Missions, especially Missions in Africa, is abundant. One collection of seventy-five books deals with the language and educational problems in Africa and includes versions of the Bible, hymnals, and other books in native dialects.

PRIZES AND AWARDS

There are a few prizes offered each year. The Reverend Horace L. Jacobs, D.D., of Bellefonte, Pennsylvania, has for a number of years offered a cash prize of $10.00 for the best essay on some aspect of Christology. This has proved a very valuable stimulus to research and has brought rewards to more than the prize winners. Because of the merit of the essays, a second prize was offered this year by one of the faculty.

CREDENTIALS

In order to be enrolled as a student in the Seminary the applicant is required to present to the Registrar, credentials attesting the Christian character and worthiness of the candidate to receive the training.
Students belonging to the Methodist Church are expected to present a Local Preacher's license or recommendation from the Quarterly Conference or Official Board of the church where their membership is held.

Students from other Denominations must have a written endorsement from the proper officials of their own church.

In addition to the written endorsement of character and church standing, applicants for the Diploma Course are required to present transcripts indicating the courses they have had in High School and grades attained. Diplomas from College should be presented by those who apply for the Degree Course.

THE GRADUATE SCHOOL

The Seminary has now a thorough graduate school with classes exclusively for college graduates. The course requires three years of resident study and leads to the degree of Bachelor of Divinity. Since the establishment of the graduate school students who appreciate the value of more adequate preparation for the ministry are enrolling in increasing numbers.

THE DIPLOMA COURSE

The Diploma Course is open to those who have been graduated from an accredited High School or have had the equivalent of that training. After three years in the prescribed Seminary Course and a total credit of ninety semester hours, the diploma of the Seminary is awarded.

Beginning with session 1933-1934 the requirement for the Seminary Diploma shall be a minimum of ninety (90) semester hours of credit of which a maximum of sixty (60) hours shall be in Theological studies and a minimum of thirty (30) hours shall be in college studies, the departments of such college studies to be specified by the faculty of the Seminary.
GRADUATION REQUIREMENTS

For graduation a minimum of ninety (90) semester hours is required. For graduation with the degree these hours must be distributed in the several departments as follows: Old Testament, eight; New Testament, eight; Church History, eight; Systematic Theology, nine; Practical Theology, sixteen; Christian Missions, six; Christianity and Social Problems, four; and Rural Work and Religious Education, six. The remaining twenty-five hours may be freely elected from the several departments through consultation with the student's faculty adviser. For graduation with the Diploma a minimum of sixty hours is required in the Seminary and a minimum of thirty in Clark University (see Diploma courses of study).

The minimum number of hours per week for regular students is twelve (12) except with special permission from the faculty, and the maximum is eighteen (18). The normal student load is fifteen (15) hours a week; and no student may carry the maximum load without special permission from the Registration Committee.

SPECIAL STUDENTS

Students who do not desire to take the full three years course may be enrolled as Special Students upon approval by the Faculty and be admitted to such classes as they are prepared to take creditably.

EXPENSES

The expenses are so surprisingly low that no student for the ministry who has health and the willingness to work need be deprived of the training. A registration fee of $5 per semester is charged to all students and a dormitory fee of $15 each semester is required of those who live in the dormitory, for light, heat and linen. These fees must be paid at the beginning of each semester and no student
will be enrolled or admitted to classes until they are cared for at the office.

All students who room in the dormitory are expected to board in the refectory. Wholesome meals are served for the remarkably low cost of $3.00 per week, payable in advance. No refund for board will be allowed for less than five consecutive days’ absence, and advance notice of the expected absence must be given in the Seminary Office.

The following is the average cost per student for the first Semester:

<table>

The estimated cost for the Second Semester is the same, except that there is no key deposit—$83.50, making the total for the year $167.50. There is also a Diploma fee of $5.00 for graduates.

ROOMS

Rooms in the men's dormitory have steam heat, electric lights, and the necessary furniture. In addition, the beds are provided with mattresses, sheets, and pillow cases. The students are required to bring blankets, quilts, and towels. Application for accommodation in the dormitory should be sent in as early as possible, for assignments are made in the order of application. No rental fee is charged for these rooms, but the student is held responsible for the preservation of the room and furnishings in as good condition as when he took possession. Dormitory privileges in Gammon Hall are accorded only to those who are enrolled in the regular courses of the Seminary, or those who are officially recognized as special students.
COTTAGES

A few cottages are available for students who were married previous to their enrollment at Gammon. A small incidental fee is required of those who occupy the cottages. There is such demand for these cottages that application should be made at least a year before enrollment.

SELF-HELP

Opportunities for student work are offered on the campus and in the buildings and several students defray part of their expenses in this way. A few students find part-time positions in the City of Atlanta in restaurants, office buildings, and private homes. A young man of energy and determination can make his way if he has saved up a reasonable amount for a reserve fund, but no student should come expecting to earn his entire expenses.

THE STUDENT LOAN FUND

A limited number of worthy students, members of the Methodist Episcopal Church, may secure loans from the Student Loan Fund administered by the Board of Education of the Methodist Episcopal Church. Christian character, satisfactory scholarship, promise of usefulness, financial responsibility, and the recommendation of the church to which the applicant belongs are essential to a loan. Each borrower must sign an interest-bearing promissory note. Further information may be secured from the Seminary Office.

SCHOLARSHIPS

A few scholarships are available for men of college training and unusual promise of usefulness. These require the evidence of special merit in scholarly ability and high devotion to the work of the Church.

The Board of Missions of the Methodist Episcopal Church, South, provides scholarships for students of the Colored
Methodist Episcopal Church who are college graduates and enroll in the Degree course at Gammon.

There are two small scholarships provided by special funds, one given in the name of Sarah McGirt and the other designated as the Aunt Katherine Student Aid Fund. These are awarded to students of merit each year.

The Lowry-Welles Scholarship has been endowed by the Rev. T. Clayton Welles and Mrs. Anna Lowrie Welles. The scholarship will amount to about $50 a year and a Congregational student in the Degree Course will be given preference in the assignment of this scholarship.

THE STEWART MISSIONARY FOUNDATION FOR AFRICA

With the conviction that Gammon Theological Seminary possessed peculiar advantages for the development of missionary attitudes and loyalties and the training of missionary leaders, this Foundation was established by Rev. William Fletcher Stewart in 1894. Since that time it has been a vital part of the life and work of Gammon. The Stewart Missionary Foundation for Africa exists to encourage investigation, to spread intelligence, to increase offerings and personal consecration, and to train leaders in the interest of Christian missionary work in Africa.

In accordance with this statement of purpose the Foundation maintains its central office at Gammon and supports the work of the Department of Christian Missions. It shares in the official publication of “The Foundation” and fosters intercollegiate essay, hymn-writing, and oratorical contents. Through the work of the Secretary, contacts are made with active and prospective Christian missionary leaders. This program is supported financially by the proceeds from properties as indicated in a deed of trust which was executed by the Founder.

The Stewart Foundation was incorporated under the laws of the State of Georgia in 1924. In accordance with the
spirit of the charter, the work of the Foundation is an integral part of the educational program at Gammon.

DEPARTMENT OF CHRISTIAN MISSIONS AND SCHOOL OF MISSIONS

The work of the Department of Christian Missions is carefully integrated with the curriculum of the Seminary, it being understood that "Christian Missions" means essentially the passion for unselfish Christian service to meet the persistent needs of humanity. The same academic requirements described for the graduate and diploma courses are applicable in the Department of Christian Missions and the School of Missions. Credit is given to women students for work pursued in Thayer Home. Those coming with only high school preparation will be required to take additional courses in the college department of Clark University.

The School of Missions was organized in 1914. It began with the high purpose of providing special training to wives of students in Gammon who had limited preparation and were in need of further training to meet the increasing demand upon a pastor's wife; and to train them especially for leadership in the women's missionary societies throughout the churches. Furthermore, it was the purpose to train all student volunteers who were particularly interested in service abroad as well as any Gammon or Clark University student interested in any form of missionary service.

The results of this work have been marked in the leadership and usefulness of those graduating from the school. In connection with the Woman's Home Missionary Society's Home on the Clark campus, many young women have been led to take up the work of special training for social service, deaconess work, parish helpers, and a few have gone as missionaries to Africa.

All the classes in Gammon Seminary suited to the preparation of the candidates and the purpose of their study are
open to students in the School of Missions who meet the educational requirements.

Young women who elect to study in the School of Missions are provided with room and board in Thayer Home, where also they may receive training in the domestic arts and sciences. Young men are cared for in the Seminary dormitory on the same terms and with the same privileges as other students of the Seminary. All work is so perfectly blended as to make this the most desirable school of training for the youth of the Negro group.

Detailed information will be provided by the Secretary, Orville L. Davis, at Gammon, to any person interested in pursuing this specialized course of study.

THE ATLANTA SCHOOL OF SOCIAL WORK

Through a plan of broad cooperation the Atlanta School of Social Work will give extension courses at the Seminary on various phases of Social Work. The subject is of highest importance to all students for the ministry and specialized Christian service. The courses given this year are listed under the Department of Christianity and Social Problems.

Students who are interested in professional social work may take the regular college courses in Social Science and courses in the theory of Social Case Work, Group Work, Community Organization and Social Research in the Atlanta School of Social Work. Upon graduation from the college they may enroll in the Atlanta School of Social Work and receive a diploma from that institution after one year of study, thereby shortening the usual two year course in Social Work to one year.

Detailed information with reference to the regular curriculum and description of courses may be secured from Mr. Forrester B. Washington, Director, Atlanta School of Social Work, 239 Auburn Avenue, Northeast, Atlanta, Ga.
The courses of study are divided into eight departments. The number of each course indicates three things: The first digit to the left indicates the class or classes to whom the course is offered (those numbered no-hundred are open to all classes, the one-hundreds are for Juniors, the two-hundreds for middlers, and the three-hundreds for seniors); the middle digit indicates whether the course comes the first, second or either semester; and the first digit to the right indicates the number of credits which the course carries. For instance, a course numbered 002 is for any class, comes either semester, and carries two credits; while 313 is for seniors, comes the first semester, and carries three credits, etc. Below are listed only the courses which will be offered in 1933-34.
